Report of Ordaining Council.

We, the Ordaining Council, beg leave to submit the following report: We have examined all applicants appearing before us, and have found A. B. Peavy and J. Ruffin Johnson orthodox in the faith and have set them apart to the full work of the ministry by prayer, a charge and the laying on of hands of the presbytery, and ask that their names be enrolled on the list of ordained ministers.

Respectfully,
LUNDA LEE.
J. F. HILL.
ROBERT STRICKLAND.

Report of Committee on Temperance.

We, the Committee on Temperance, beg leave to submit the following report: Seeing the great evil of intemperance and the great necessity of temperance, we do recommend that all of our preachers preach temperance and total abstinence from the pulpit, also around the fireside. We recommend that the laity live temperance, pray temperance, vote temperance and teach temperance to their children, until this great evil shall have no place in our land. We especially ask the sisters of the different organizations to use their influence and power against the drink habit.

Respectfully,
R. W. BASS.
W. P. COLLIER.
LUNDA LEE.

Report of Committee on Education.

We, the Committee on Education, beg leave to submit the following report: We find that the great need of our people, from a literary standpoint, is a better educated ministry. We recommend and ask this Conference to honor the Beulah High School, now under the management of Professors A. R. Flowers and Julius Dudley, men of God, whose hearts are in the cause of literary training, with their patronage. These men have taken this school

on its merits, so let us rally to their support. In this school young men studying for the ministry will get their tuition free, as will also orphan girls. Board can be had in private families from $6.50 to $7.00 per month.

Report of Mission Board and Ordaining Council.

We, the undersigned, submit the following report: We have examined Bro. E. H. Brooks and wife, applicants for Foreign Mission work. We do not find them orthodox in the faith and doctrine of the Cape Fear Conference as we believe and teach. Whereas, they are free to leave the question of baptism with the applicant, either by sprinkling, immersion or pouring. Also they do not believe the ordinance of feet washing as much essential as that of baptism or communion. We do not recommend them to this body as our representatives in the foreign field, as they do not believe and teach as a whole the doctrine of our denomination as we see the New Testament gives it.

Respectfully,
R. C. JACKSON,
Member Mission Board.
J. F. HILL,
LUNDA LEE,
ROBT. STRICKLAND,
Ordaining Council.

The above report was followed by a minority report by J. A. Blaylock and O. B. Garris, members of the Mission Board, but was tabled and the former report adopted.

Report of the Directors of Beulah High School.

We, the undersigned Board, beg leave to submit the following report: We have employed Prof. A. R. Flowers, of the Western Free Will Baptist Conference, as principal of the literary and graded departments of Beulah High School for the present year, and Prof. Julius Dudley, of the Musical Department. We recommend these teachers to all interested in an educational qualification, either literary or musical. We do especially urge our people to patronize said school, and to give it their strength and support, as the faculty takes the school on its merits. We are glad to say, the school is doing fairly well, but we are in need of more patronage.

We, seeing the need of some improvements on the building, have advertised and sold to the highest bidder six one-half acre lots at a purchase price of $12.50 each, and have applied the money, or as much as it required, to underpin said building. The balance has been placed in the hands of the Treasurer for the purpose of painting the school building, so far as it will carry forth the work.

We ask this body to make such appropriations to the Board of Directors

as will complete said paint bill and to finish the interior of said school building.

We do further, though with regret, have to inform this body that the entire amount of shortage to Prof. J. E. B. Davis has not yet been paid in full. We ask this body to take some steps to raise the remainder of said shortage.

Respectfully,
G. M. COOPER,
J. R. PARKER,
W. H. AVERY,
R. M. PARKER,
K. A. ROBINSON,
W. H. PHIPPS,
T. B. ALLEN,
W. R. GLOVER,
J. A. BLAYLOCK,
R. C. JACKSON,
H. W. JERNIGAN,
R. C. TURLINGTON,
Directors.

One hour is given for dinner.

AFTERNOON SESSION.

Conference reassembled at 1:45 and proceeded under the head of reports.

Report of Committee on Obituaries.

We, the Committee on Obituaries, submit the following report: We praise God that we have no record of the death of any of our ministers since last Conference, and the statistical reports show thus far that all of our ministers have been so blessed and made active to the extent that more has been accomplished by them as a whole during this Conference year than any previous year, so far as we are able to learn.

Respectfully,
R. C. JACKSON.
J. A. BLAYLOCK.

Report of Committee on Deportment and Work of the Ministry.

We, the Committee on Deportment and Work of the Ministry, submit the following report: We find nothing derogatory to the Christian character or work of any of the ministers, except as follows:

The rumors in case of W. W. Avant is referred to a committee, consisting of Elder R. C. Jackson and O. B. Garris to investigate in his local churches and report back to this committee.

2. Whereas, the name of Elder J. F. Owen appeared in last year's minutes for failing to attend the Union Meeting of the Second Union District. We do further state that at that time there was not a law binding any minister to attend the Union Meeting. We also state that Bro. Owens is a minister in good standing and an active worker in the ministry.

3. Also H. Pope and L. E. Johnson, who have failed to report to this Committee.

Respectfully,
W. P. COLLIER.
N. T. BAREFOOT.
